## **THE SECRETS TO STRESS-FREE** *moving*

Are you preparing to move to a new home? Moving can be one of life’s most stressful events, especially while juggling career and family. Whether you are moving locally or across the country, let Uncluttered take the worry and hassle out of your move.

### *before* **You Move...**we help you downsize

Attract potential buyers and make your home stand out from the crowd. We help make the sale of your home a breeze by:

- Decluttering and downsizing your home to make it seem bigger to prospective buyers
- De-personalizing your home for a quicker sale
- Coordinating donation or consignment services for furniture you no longer need
- Providing referrals to trusted outside vendors, including painters, plumbers, and housekeepers

### *during* **Your Move...**we remove your stress

Uncluttered can reduce the stress and chaos of moving day by coordinating and managing all aspects of your move. Our team can:

- Schedule movers and be on-site to coordinate and answer questions
- Direct movers on furniture and box placement at your new home

### *after* **You Move...**relax, Uncluttered has you covered

Get settled and feel at home in no time with our move-in services. By setting up your home efficiently from the start, you can get back to work and life sooner. Our move-in services include:

- Unpacking and organizing your belongings into your new home
- Removing all boxes and wrapping paper when the move is complete
- Providing referrals to trusted outside resources, including painters, landscapers and computer specialists
